

NAVAKIJ GROUP

Company Profile

Best Choice For Best Profit

Navakij Group Origin

Navakij Group was Established in 1993 by A group of engineers, leaded by Mr.Amorn Plungsangmas in the purpose of developing the local Grain Storage and Handling System and commercial Silo Supplier. The company can accept full Engineering responsibility for a project including construction design and completion, Mechanical, Civil and Electrical Engineering work.

Mission

Navakiy Group Co.,Ltd will be the leader in Grain Storage and all kinds of handling System in South East-Asia with Proud of developing the Engineering know-how of Grain Storage Drying Systems and Management System

Business type

Grain Storage Handling System Drying Systems
Machine and Commercial Silo Provider

Construction, Mechanical, Civil and Electrical design
and completion, warehouse with handling system

Vision

According to Agriculture commercial in Thailand is one of the valuable Export and local Consumer; We reminded that Agriculture commercial in both Thailand and South East-Asia will developing and more valuable in the future, because the most volume in the world market was exported by South East-Asia and the world consumer demand will be increased.

Navakij Group reminded that the factor which make the Agriculture product (Such as, wheat corn rice) more valuable and fruitful was the Effective storage and management system, for this purpose we proud to develop our Engineering know-how about Grain Storage System to make the valuable Exported Grain product and benefit for local supplier. >

Nature of business and product

- Commercial Storage Silo supply
(For wheat, corn, rice etc.)
- Grain Storage Conveyor and machine supply
- Full Operate and Grain Manage System design
- Grain Drying Systems
- Construction design and completion
- Mechanical and Electrical Engineering work
- Warehouse Handling System

Experience

In Land Job: NavakiyGroup was the leader of Grain Storage System in Thailand, we have 14 years experience in over 100 projects for local commercial supplier, public company and Ministry of Agriculture and Cooperatives

Out Land Job: We proud to offer our experience for oversea project
